To Whom It May Concern:

The City approves the method of sidewalk repair that Mr. Stace Howard performs to reduce the tripping hazards of offset sidewalks. His work has met or exceeded City standards and is effective in leveling the walking surface in specific conditions. Also, this type of repair is less costly to the property owner who is responsible for maintenance of the sidewalk abutting his/her property.

Should anyone have questions concerning this matter, please contact me at 513-248-5098 or [bwhite@milfordohio.org](mailto:bwhite@milfordohio.org).

William A. White PE  
City Engineer
